August 30, 2019

Dear Students, Parents and Guardians,

Haverhill Cooperative Middle School is proud to say, as of this school year, that **all** students have access to computers for learning.

Students from grade 4 through 8 use Chromebooks for keeping assignments, practicing skills developed in class, and tracking their performance through Powerschool. Students in grades 4-6 will have access to computers in their classes.

Attached is a copy of the user agreement similar to that used by Woodsville High School. Please review this with your son or daughter, sign and return it to school. Upon receipt, we will provide students with the computer that they will be assigned for the remainder of the school year.

Thank You,

Robert Phillips
Principal
